*Dear Members,*

Thank You for the opportunity you have afforded me as president of the Chamber of Commerce.

I have many goals for the new year. I would like to have 300 members by the end of the year. James Ng will be heading our membership committee to try to make this goal a reality. I would also like to rewrite our Bylaws. To do this we all must be aware of our present Bylaws; every member will be sent a copy of our present Bylaws or you can refer to our website at [www.masticshirleychamber.com](http://www.masticshirleychamber.com) to review them. But what I most want is to get as many of our members as possible to attend our monthly meetings and give me or the Board of Directors or officers feedback so that together we can make our organization benefit all our members.

Our January guest speaker will be Nancy Burner, Esq. to discuss Elder Law.

Our meeting will be held at William Floyd High School LGI Room 177 on Monday, January 15, 2007, at 7 p.m. There will be no food served so there is no charge to attend.

The Board of Directors meeting will be held on Monday, January 8, 2007, at 6:30 p.m. at the William Floyd High School Room # 137.

The following businesses are being proposed for membership: Chase Investment Services (James Ng), Binetti Painting (Marie Binetti), and The Press of Manorsville & The Moriches (Bill Sutton).

For more information, please call 399-0396.

Sincerely,  
**Mark Smothergill**  
President
